**Lever Arm – The Ultimate Multi-Tool for Pros:
Remove, Renovate, Install.**

The **Lever Arm** redefines versatility on the job site. Engineered for interior professionals, it merges powerful leverage with top-notch precision.

Designed primarily for effortless and safe removal of **baseboards, door casings, decorative panels and even tiles**, with a broad support surface that reliably protects floors and walls from damage.

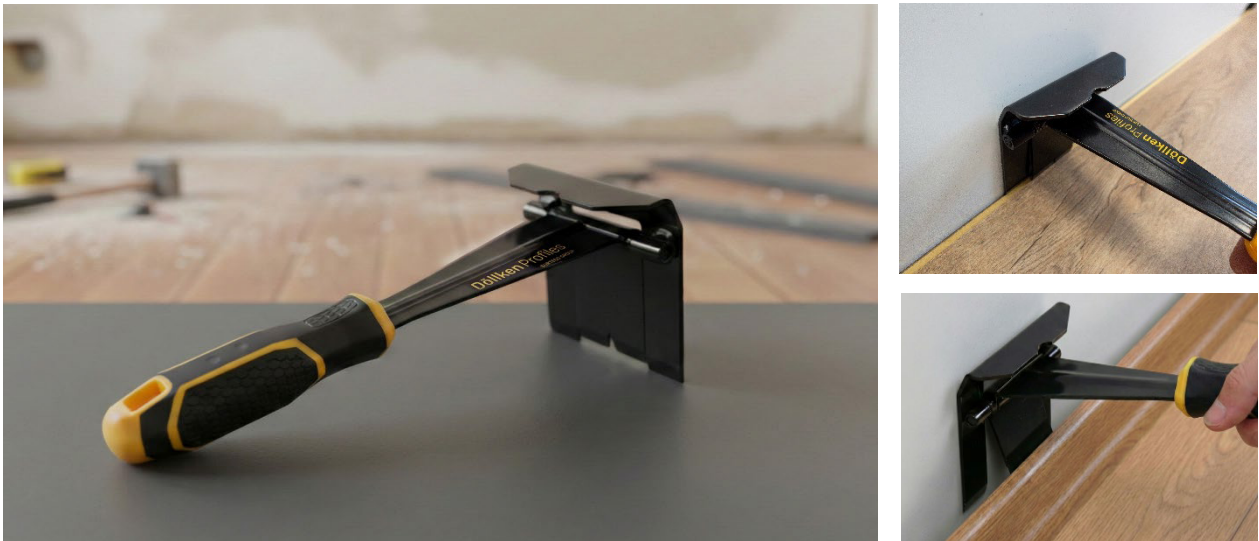

But the Lever Arm offers even more: Its unique design makes it the perfect installation aid for **pressing parquet, laminate and click-vinyl flooring tightly and quietly into place**—no hammering, no damage. Stubborn nails can also be effortlessly removed using the integrated pulling mechanism.

One tool, three functions: Protect, Pry, Install.

Applications

- **Removal:** Taking out baseboards, decorative profiles, door casings, panels, and tiles
- **Flooring:** Seamless Closing click-system joints (laminate/vinyl/parquet)
- **Preparation:** Pulling nails and staples

Döllken Profiles

Key Benefits at a Glance

- ✓ **Damage-free Work:** The wide support surface prevents pressure marks on walls and floors and saves costly touch-ups
- ✓ **Smart Installation-Assist:** Allows quiet, gentle pressing of parquet, laminate and click vinyl
- ✓ **Versatile Use with 15°-Geometry:** The integrated angle uses optimal leverage for effortless removal of stuck baseboards, door casings, panels, and tiles with minimal force – perfect for extended work sessions
- ✓ **Integrated Nail Puller:** Easily removes deeply embedded nails and staples without extra effort
- ✓ **Extremely Durable:** High-grade steel ensures maximum lifespan
- ✓ **Ergonomic 2K-Handle** for secure grip
- ✓ **Lightweight:** Maximum strength with minimal weight for fatigue-free work

Product Specifications

Item	Lever Arm
Item Number	5129565
EAN code (packaging unit)	4036793160504
EAN code (single item)	4036793160511
Packaging	1 piece

Technical Specifications

Product Dimensions	280 x 110 x 100 mm
Weight	630 g
Finish	Powder-coated / Corrosion-resistant
