# Five angles. One tool. Zero stress.

Developed by our application experts, the Döllken Profilecutter is designed for fast, precise trimming of core skirting boards – delivering perfect results with every installation.

With the Profilecutter, you'll achieve accurate cuts in seconds, effortlessly. Say goodbye to inaccuracies and save valuable time on site!

## Benefits at a glance:

- ✓ Perfect 90° cuts every time
- ✓ Lightweight, ergonomic design for easy handling
- ✓ Unique 20 mm cutting height
- ✓ Adjustable stop for angle cuts at 15° / 22.5° / 30° / 45°
- ✓ Clean, dust-free operation
- ✓ Simple and intuitive to use
- ✓ Replaceable blades for long-lasting performance
- ✓ Maximum safety with locking pin
- ✓ Always protected in the Döllken system case
- ✓ Compact, lightweight design for easy transport
- ✓ Effortless to move and use on site
- ✓ Flexible application – just like the proven Döllken mitre tool

Perfect cut in just two quick steps:

1 Separation cut (rough cut)

2 Clean cut (precise cut)
